Page 412 JONES VAUGHAN - farmer, section 11, was born in Culpepper Co., Va., the 19th of September, 1808, and was the son of John and Margaret Vaughan, both natives of Virginia. Jones was reared to manhood at his birthplace ... In 1836, he emigrated westward and remained five years in the vicinity of Hannibal, Mo. He then returned to Virginia and located near his old home until 1854 when he came west with his father's family. The landed in Oregon on the 23rd of November, 1854. He settled where he now lives in 1855 ... Great credit is due him for the care with which he watched over his aged parents. His father died in 1874, after having lived to the age of 86 years and 6 months. His mother is still living and is now in her 89th years and though quite feeble is tenderly cared for by her son and daughter. An unmarried sister presides over the household affairs for Mr. Baughan. Being an old settler, he is widely known over this country.
